6/3—6/9 BG wants to start a band but doesn't know what instrument to play. He went to find books about musical instruments. Where is he? Tell us the first three Dewey Decimal numbers of the section where he is hiding.

6/10—6/16 Find a pet rock and make a habitat for it. Show BG a photo, draw a picture, or bring it in for a visit.

6/17—6/23 BG is looking for more good books to read this summer. Can you recommend some titles? Tell him a book you liked and why (in writing) or draw a scene from it.

6/24—6/30 BG loves to create and hear new lyrics to familiar songs. Create new lyrics to a familiar song for him. Sing it to him if you wish (or you can write it down if you don't want to sing it—but let us know what the tune is).

7/1—7/7 BG is excited for MegaMania and is wearing his favorite superhero costume. Come dressed as your favorite story book character or superhero. Show BG your awesome costume!
