Dolly Parton Imagination Library 30

We had two fifth grade class visits on Friday, June 7 (1st - 20 kids, 2 adults, 2nd - 24 kids, 2 adults). The kids got to do a scavenger hunt that hopefully taught them a bit about what the library offers. They also heard about summer reading and programming.

Asia has been helping make raffle boxes and flyers for the summer programs. I got all of July's events and many of August's events invoiced. Terry made awesome raffle tickets with the summer reading theme graphics.
